HEALTH SAFETY & ENVIRONMENT POLICY STATEMENT

Document #	HSE-PDL-POL-001
Revision No:	1
Release Date:	April 21 st 2023
Review Date	April 21 st 2024

PARC DISPOSAL LTD (PARC) is committed to providing and maintaining our workplace and equipment in a safe and healthy condition. We recognize that accident prevention is essential to the maintenance of an efficient operation and will systematically identify hazards and conduct formal risk assessments in ensuring that effective control measures and emergency procedures are in place.

We believe that all accidents are preventable and will:

- Assure competence and provide training so all our employees are competent to do their tasks.
- Provide safe handling & transport of substances that may be harmful
- Consult, listen and respond to employees and clients on HSE management and performance and give adequate information on relevant hazards to any person whose health and safety might be affected by them.
- Commit **PARC** to comply with the most up to date relevant legislation and standards
- Minimize the impact of our activities on the Environment

We expect all employees, clients and contractors who work with **PARC** to share this commitment by complying with our policies and our procedures. Everyone is responsible for HSE and for stopping any work that is unsafe. Management is committed and accountable for implementation of this policy and will review and revise at regular intervals.
